18 holes for Sport Relief
Sport Relief is very high profile in the media at the moment and we are organising our own event for Friday 19th March to raise funds for this cause. Portal have kindly agreed to close the Championship course so that our whole school can walk the perimeter together (about 2 miles). We would love you to join us for the morning if you are able to. Further details will be sent to you this week.

*This is a busy week for PTA events, with Mothers Day shops on Tuesday 9th in the afternoon and the morning of Thursday 11th. Please support the **FAMILY BINGO NIGHT** on Friday 12th March at the Community Centre from 6:30-9:30pm*

Family Surveys
We have about 30 returns so far but need as many as possible in order to include all your views. Please fill in and return your survey by the end of this week. Spare copies are available from the office.

SchoolComms
As we will be using this to communicate regularly, please understand that it is a one way system, from us to you! If you wish to reply, please use our usual phone and e-mail contacts at school. We will not check messages returned to the SchoolComms number.

Teecha Feecha meets the talented...

Mr Davies!
Mr Davies (otherwise known as Mr. D) is the teacher in Y2. His ideal Christmas present would be a Buggati Veyron although he has a Vauxhall Astra as his car! Mr D prefers beer to wine. And his hobbies are watching films, especially science fiction and Star Wars. Mr D's favourite food is curry. He used to be an ROV pilot (remote controlled submarines) working off shore on oil rigs and ships. He went to Newcastle College to study science and Liverpool Hope for teacher training. He actually lives in Lancashire but loves travelling to Tarporley for work. His pet is Bob the rabbit, but poor Archie the guinea pig died last Christmas. I bet you didn't know that he used to live in Singapore!! He also supports Liverpool!
